## Wichita Colleges

### Notes of Wichita's Educational Institutions.

#### Fairmount College.

The Oriental association held its annual meeting Tuesday morning for the purpose of choosing officers for the ensuing year. The officers thus elected were: Graham Foster, president; James H. Dwyer, vice president; Mabel Grant, secretary; Lola Sexton, treasurer.

The April issue of the Sunflower appeared last week. The issue was edited by members of Webster society. The cover contained a very fine drawing of Daniel Webster.

The election of the new editorial staff of the Sunflower occurred during the past week. Harry Hestey, '06, was elected editor-in-chief and R. J. Kirk, '07, business manager. The other members of the staff are: Elmer Miller, '06; Miles Leiby, '06; Arthur Scher, '07; Gail Ross, '06; and Flora Ricker, of the preparatory department.

The triangular field met on Monday provided a walk-around by the Fairmount team made a plucky contest, but was outdistanced by the Oklahoma. Arthur Scher, however, proved a staff winning 17 points, nearly twice as many as any other contestant. Fairmounters participating in the contest were: Arthur Scher, Graham Foster, James Leiby, R. J. Kirk, Wm. H. Dwyer, Elmer Miller, Walter N. James, and Charles Cook.

Tuesday morning occurred the sad and untimely death of Thomas Bostick. While not a member of the college at the present time, Mr. Bostick had been a student at Fairmount for a number of years. His unexpected death has caused deep grief among all who knew him.

The annual Sophomore reception was held Friday evening at the home of Miss Blazer, on College Hill. The event proved a very enjoyable occasion and was in every respect characteristic of student life. Brisk ice cream, dainty fruit cake and trifles were served for lunch. Nan Condon, Marjorie Sellers and Harry Ross directed the entertainment for the evening. The girls' orchestra rendered the many guests with pleasant music.

The annual Freshman reception will take place May 13, at the home of Harry Campbell, College Hill.

W. C. A. girls gave a dainty breakfast at college Wednesday morning. 70 or 80 students were served. The association cleared over \$10. The money secured will be used in sending some of the young women to the Lake Geneva conference.

President Morrison has come to New York City. It will be absent four weeks.

#### Friends University.

634 points for Stillwater, 574 for Friends and 24 for Fairmount, was the result of the 24 possible points in the intercollegiate track meet held last Monday between the A. & M. college of Oklahoma, Fairmount and Friends. This meet was perhaps the most exhibition of track athletics ever given in Wichita. The visitors proved themselves to be fine athletes and in good training, winning first place in nine out of the thirteen events, leaving only two first for each of the home team.

Special features of the meet were the state record, 4 minutes, 42 seconds on the mile by Chandler of A. & M., the fine runs by Freeman and Talbot of A. & M., the hurdle races by Soter of Fairmount; the high jumps of McElroy of Friends; and the pole vault by Thompson of Friends. The latter seemed to cause more comment than any other attraction, not because any record was broken or was even in danger, but because the spectators were not accustomed to seeing a small man fly up and twist himself over a pole 8 feet 8 inches from the ground.
